3 Beds | 2.5 Baths | 1,948 sqft | Garage: Yes

Preston

A ranch home designed for the modern family! Wide-open and casual spaces flow into each other seamlessly while separate flex room and bedrooms offer the privacy you need. And entertaining is made even easier thanks to the spacious rear covered porch.

- Classic design with a modern layout
- Large bedrooms and master suite
- Rear covered porch
- Flex room easily becomes what you need it to be
