

**Floor Plan:**  
**Wainwright-TX**

**3 Beds | 2 Baths | 1,536 sqft | Garage: No**

## **Wainwright**

The Wainwright is the perfect example of a clever design that makes the most out of the space available. The private office space is a customer favorite, while the practical layout offers both space and privacy. Make the most out of your home by transforming the attic space into another livable area.

- Compact yet practical design
- Your own, private office space
- A beautiful foyer
- Private master suite
